Title: Journal of my travels

Author: The Sage

I have visited the
towns and given
warning of that great
darkness, Mordain, to
all the citizens of the
realm. Many will
heed me, some will
not. The town of

Skara Brae will
stand firm with me,
as will Trinsic, the
others I am not certain
of. The Unruled ones
have been warned as
well. We shall see if
they heed my

warnings, or follow
the snake into the
darkness....

You fool Trinsic has
sided with Mondain
and will only be a
matter of time fore all

of the towns have.
